## **PROFILE**

My interest lies in costume for theatre and film and have just finished a Bachelors Degree in Costume Interpretation. I have had the pleasure of having worked in theatre, on feature films, TV and also as a costume designer on various award winning short films. I really enjoy being part of a team but also do well working independently. Being involved in bringing scripts and stories off a page to life is something I find incredibly fascinating.

## **EDUCATION**

**Wimbledon College of Art, London, 2017-2020**

Costume Interpretation for Theatre and Screen, BA Hons

**City and Islington Sixth Form College, London, Islington, 2014-2016**
