EXPERIENCE

Education experience

2019-2020 University of the Arts London
(3D Design Foundation)

2020-Now Central Saint Martin
(Bachelor of Industrial Design)

Apply for an undergraduate degree in 2020 to get offers from Coventry University, Brunel University, Kingston University and other schools. Finally choose Central Saint Martins to study

ABOUT ME

I am a Year 3 student who is pursuing the BA degree of 3D design and product design at Central Saint Martins, University of the Arts, London.

During the period at university, I worked as an intern in an educational institution in China.

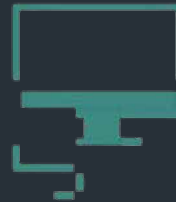

In terms of work skills, I am proficient in graphic design and product design.

I have provided icon designs for many companies in the catering and fruit industries

SKILLS

Work experience

2018-2020 Speaking Teacher (part time)

Served as an oral lecturer in a Chinese youth English education institution, and served as an oral English training for graduating classes for many times.
