

refine in Blender ↗

Make this in 20cm x 20cm to fit actual body size ↙

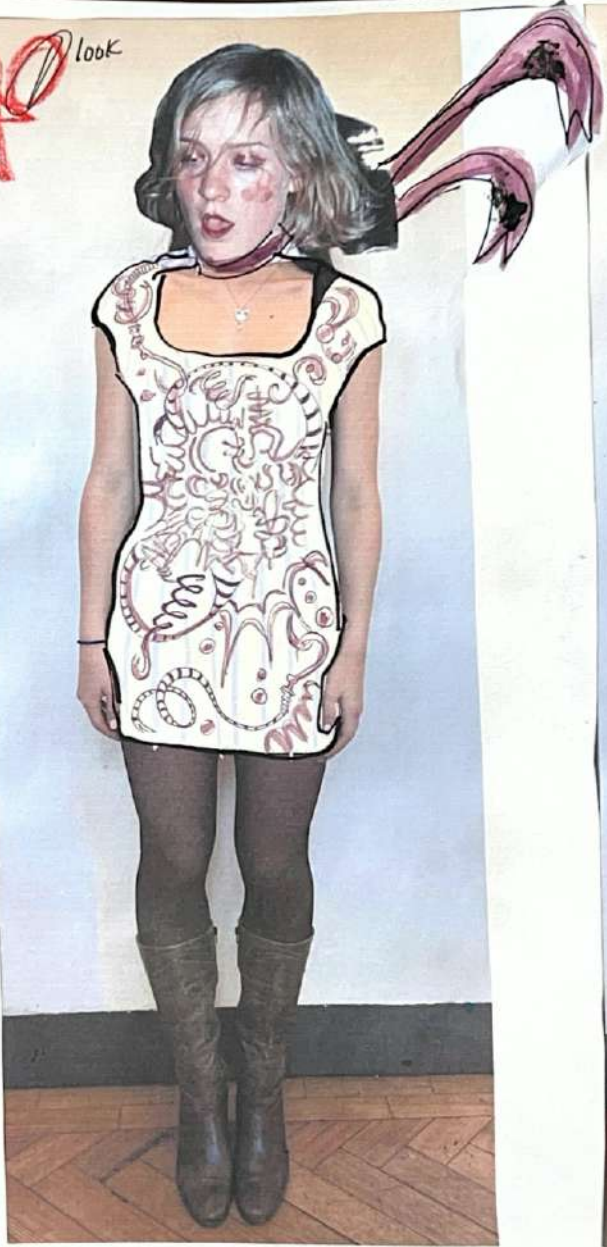

fishing out the gut feeling & mind clear out!

~~1~~ look

2 look

find design on front (main) print on stencil. make it more layer for full long skirt.

last final design  
for that piece.

↪ end up making this paper hat crown  
as i was inspired by the innocent time  
that i have spent was a kids, no stress, no decision making  
↳ but anytime when i have my birthday i'm order and  
i need to take responsibility for my life.

Baby

↳ hollows?  
balg-  
-springs

air blower
