

photos wood board

let paintings talk
• show their hidden meaning

stargazing
in a funny way
in stargazing
of paintings

what paintings are saying?

what paintings are hiding?

what paintings are warning about? → publishing

what if paintings could speak/lived/could act?

communicate → what paintings are hiding?

women/men

how to understand art → animat

reference to post-modern??

→ [as] →
- this is not about ...

TA → potential visitors
young people

NOT A SPECIFIC GALLERY

what do I like?

- references
- modernity
- art (classical art)

- book
- social media
- interactive website
- animation

- something that their technique, or form, is saying about that time

something I've never tried?
analogue?

spotify playlist
asking people!

quotes?

museums brand identities and paintings

what song would painting X choose?

- psychology
- perfumes
- ...???
- personality type

isn't it direct?

what if that can't visually think of it is my problem?

associations

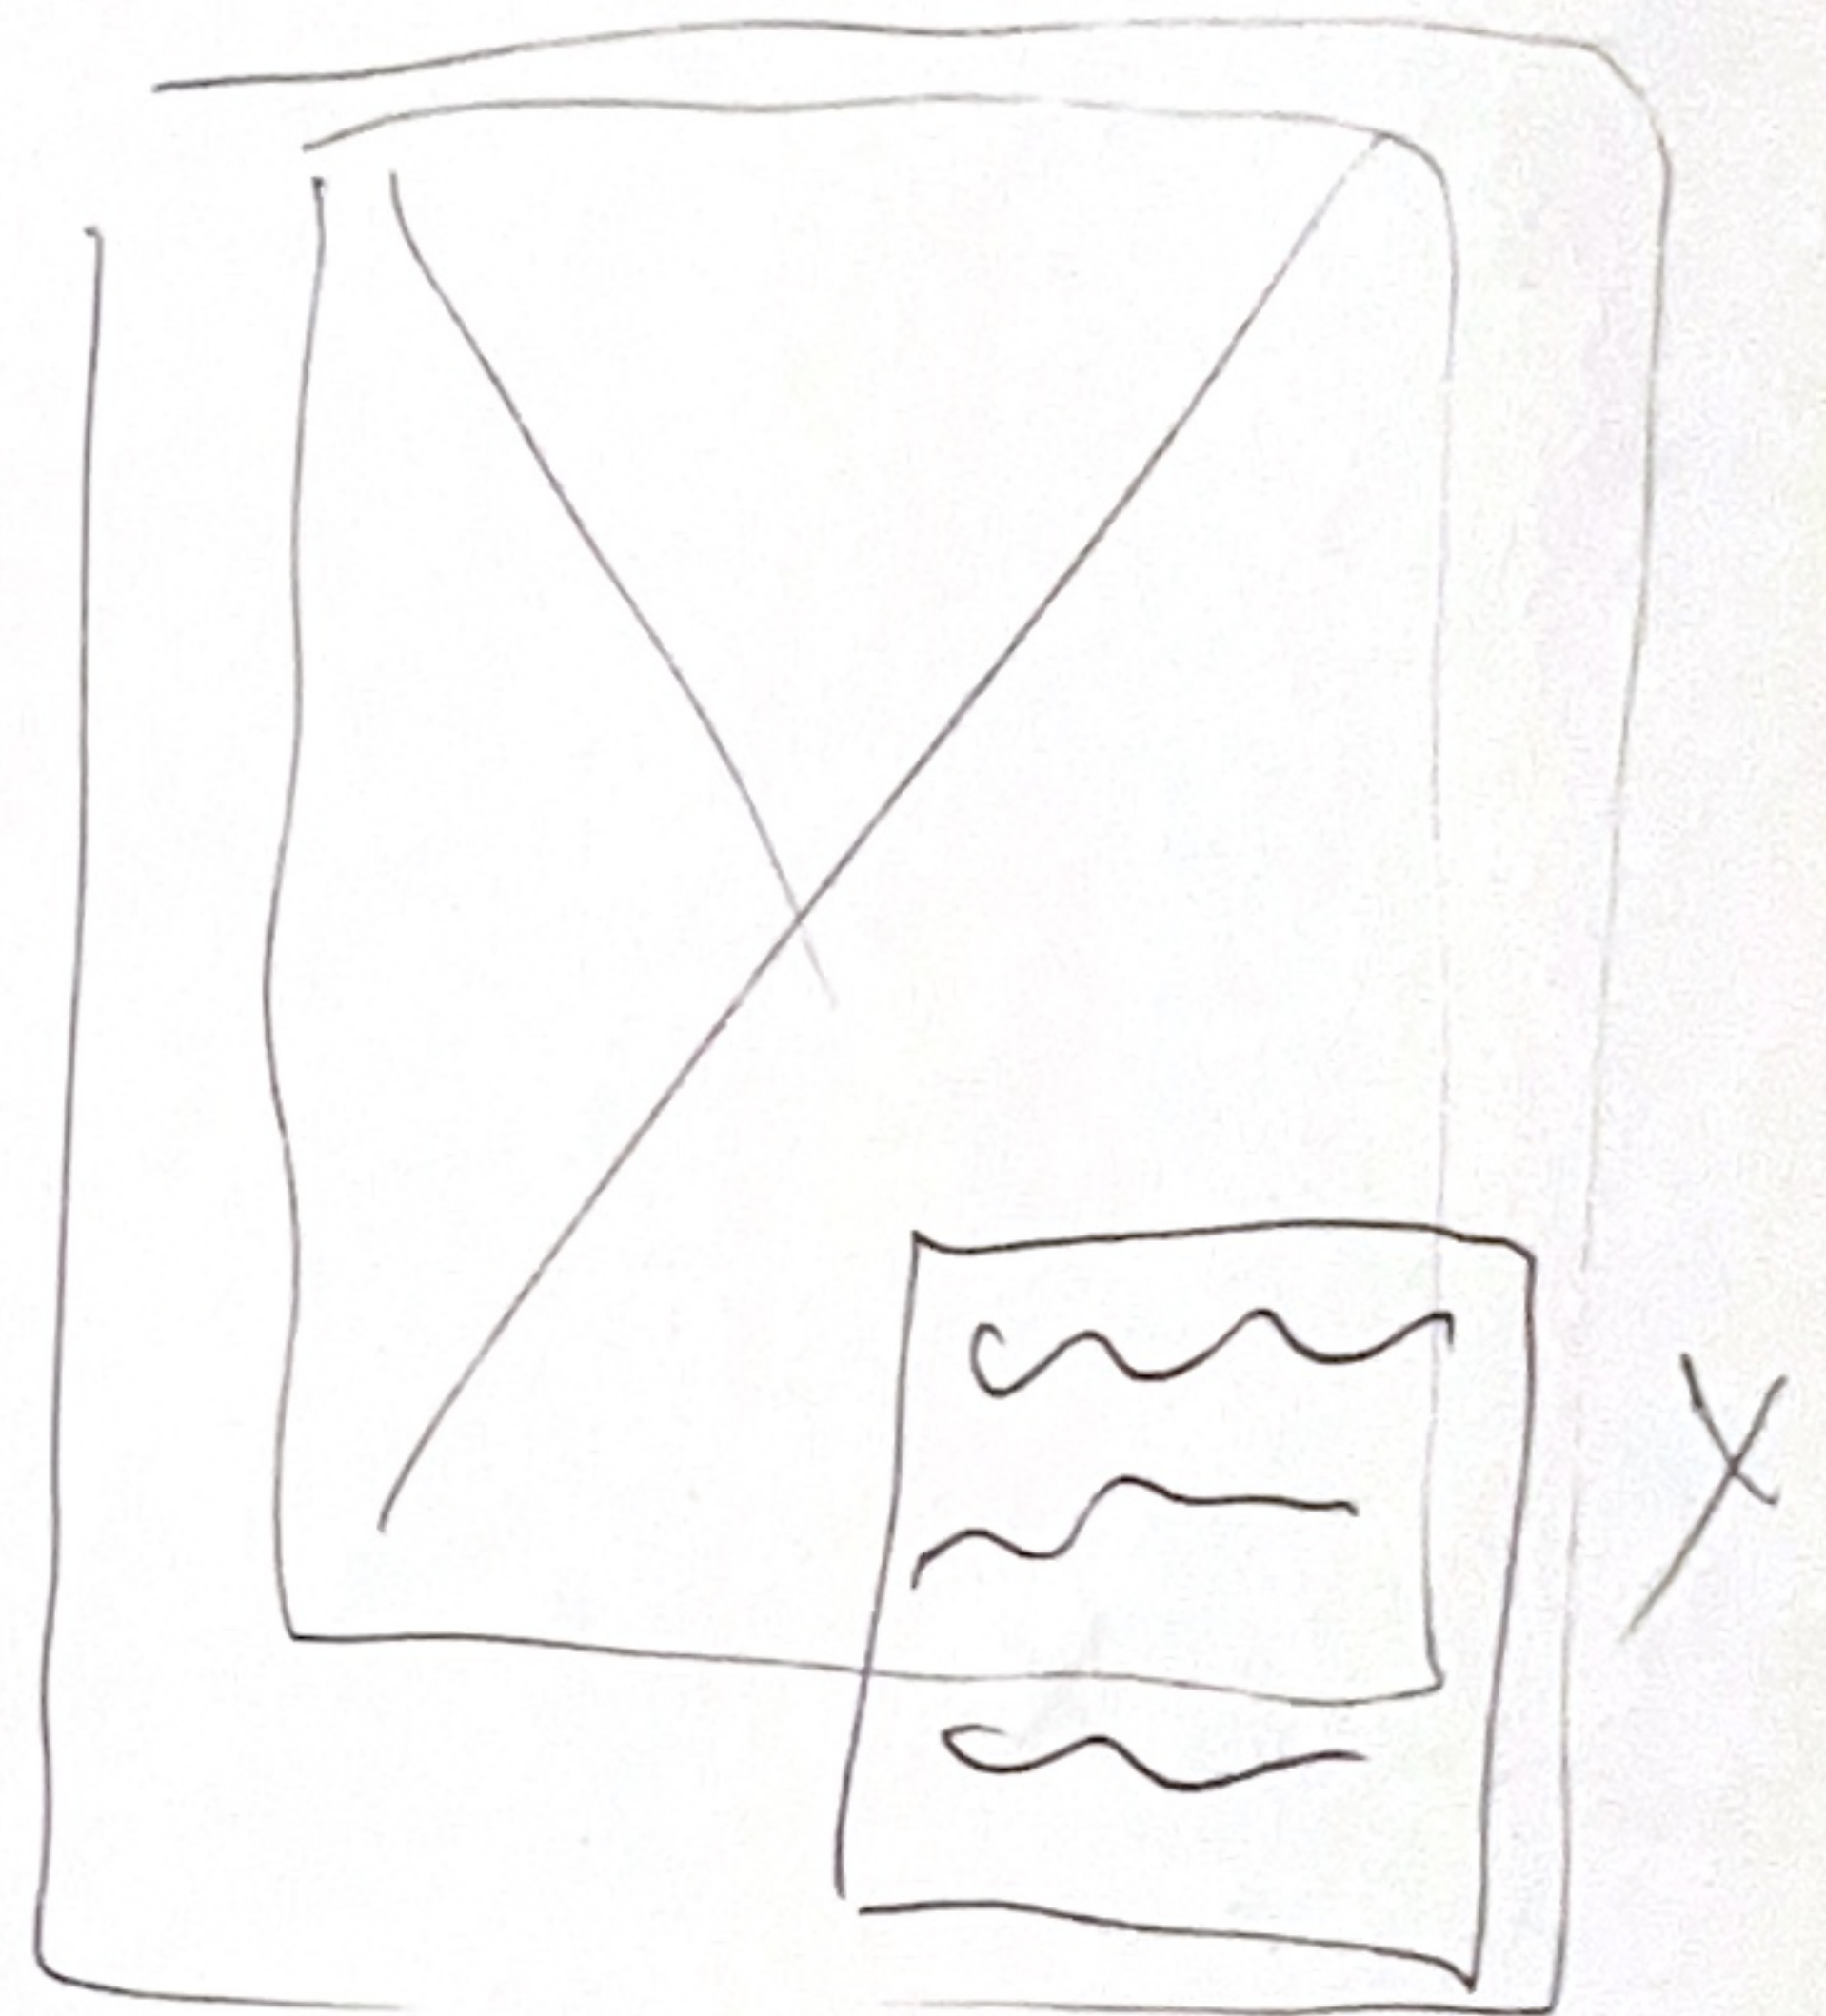

1.

Digitally "sound"

Find something interesting that she would say

white charcoal on she poster??
collage???
