"Leave me
alone"

I want to be alone

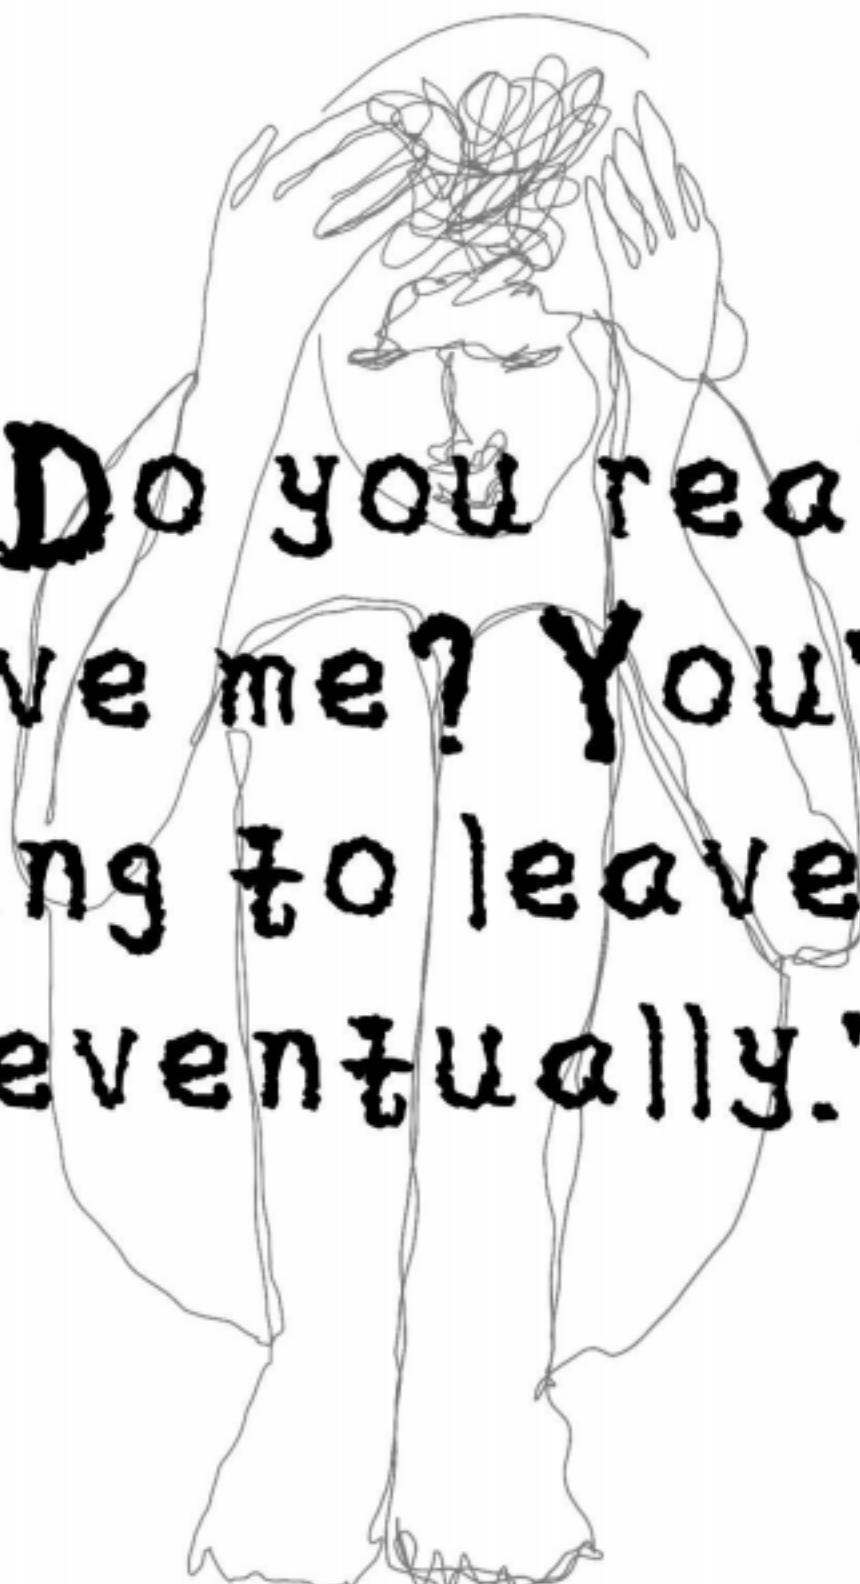

I think you need me

I don't need you

I see

"I enjoy being alone. I don't need your company. Please go. I'm not unhappy. I just want some time to myself. I'm not feeling sad, and I don't need your comfort."

"Do you dislike me? Are you going to leave me? Are you unhappy because of me?"

"Do you really
love me? You're
going to leave me
eventually."
