

**Luxury Swimwear.
Born from the Ocean.
Effortlessly Cool.**

Les Waves is where raw beauty meets effortless cool. Inspired by surf culture and high fashion, we craft sculpted, sustainable swimwear designed to move with you — on the waves or under the sun.

Sustainability is woven into our DNA, with every piece made from regenerated ocean plastics to protect the waters that inspire us.

Les Waves isn't just swimwear—it's a statement of freedom, confidence, and modern femininity.

**Sustainable swimwear if you're into that.
We are.**

Our latest collection is **entirely** based on
regenerated nylon fiber.

Econyl® gives a second life to discarded waste
while helping to clean up our planet.
Made from recycled materials like fishing nets,
fabric scraps and industrial plastics rescued
from landfills and oceans.

We're on a mission to bring sustainable fashion
to everyone. Stuff this cute shouldn't go to waste.
