

Enternal Life

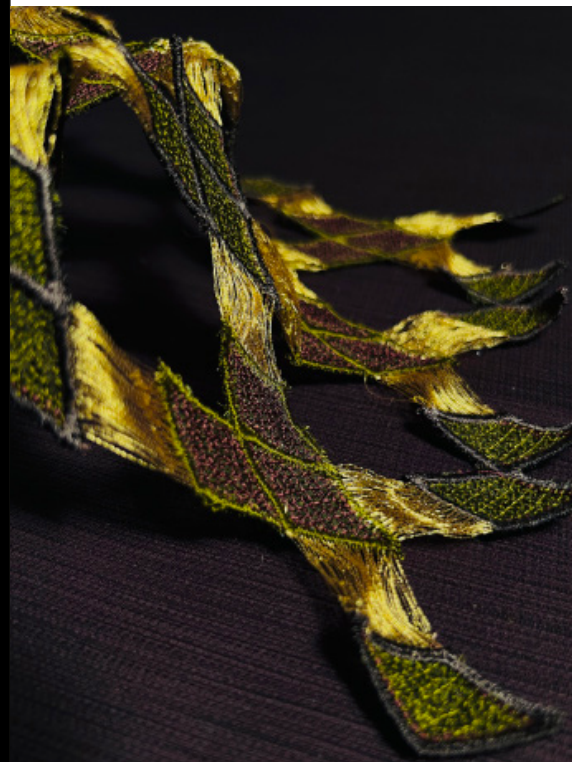

རྟ་ལུ་ཤེས་བྱ་ཚོད་མཚུ་ལས་སྤྲེལ། །རིས་འབྱུང་བསམ་པ་རུས་གོང་ཁོད་ནས་རྟེད།
འི་ཉེས་དམིགས་རོ་ལྷགས་ལྷི་ལས་ཚོར། །ཚེ་སློག་གནས་ལྷགས་དུར་གྱི་ཁོད་ནས།

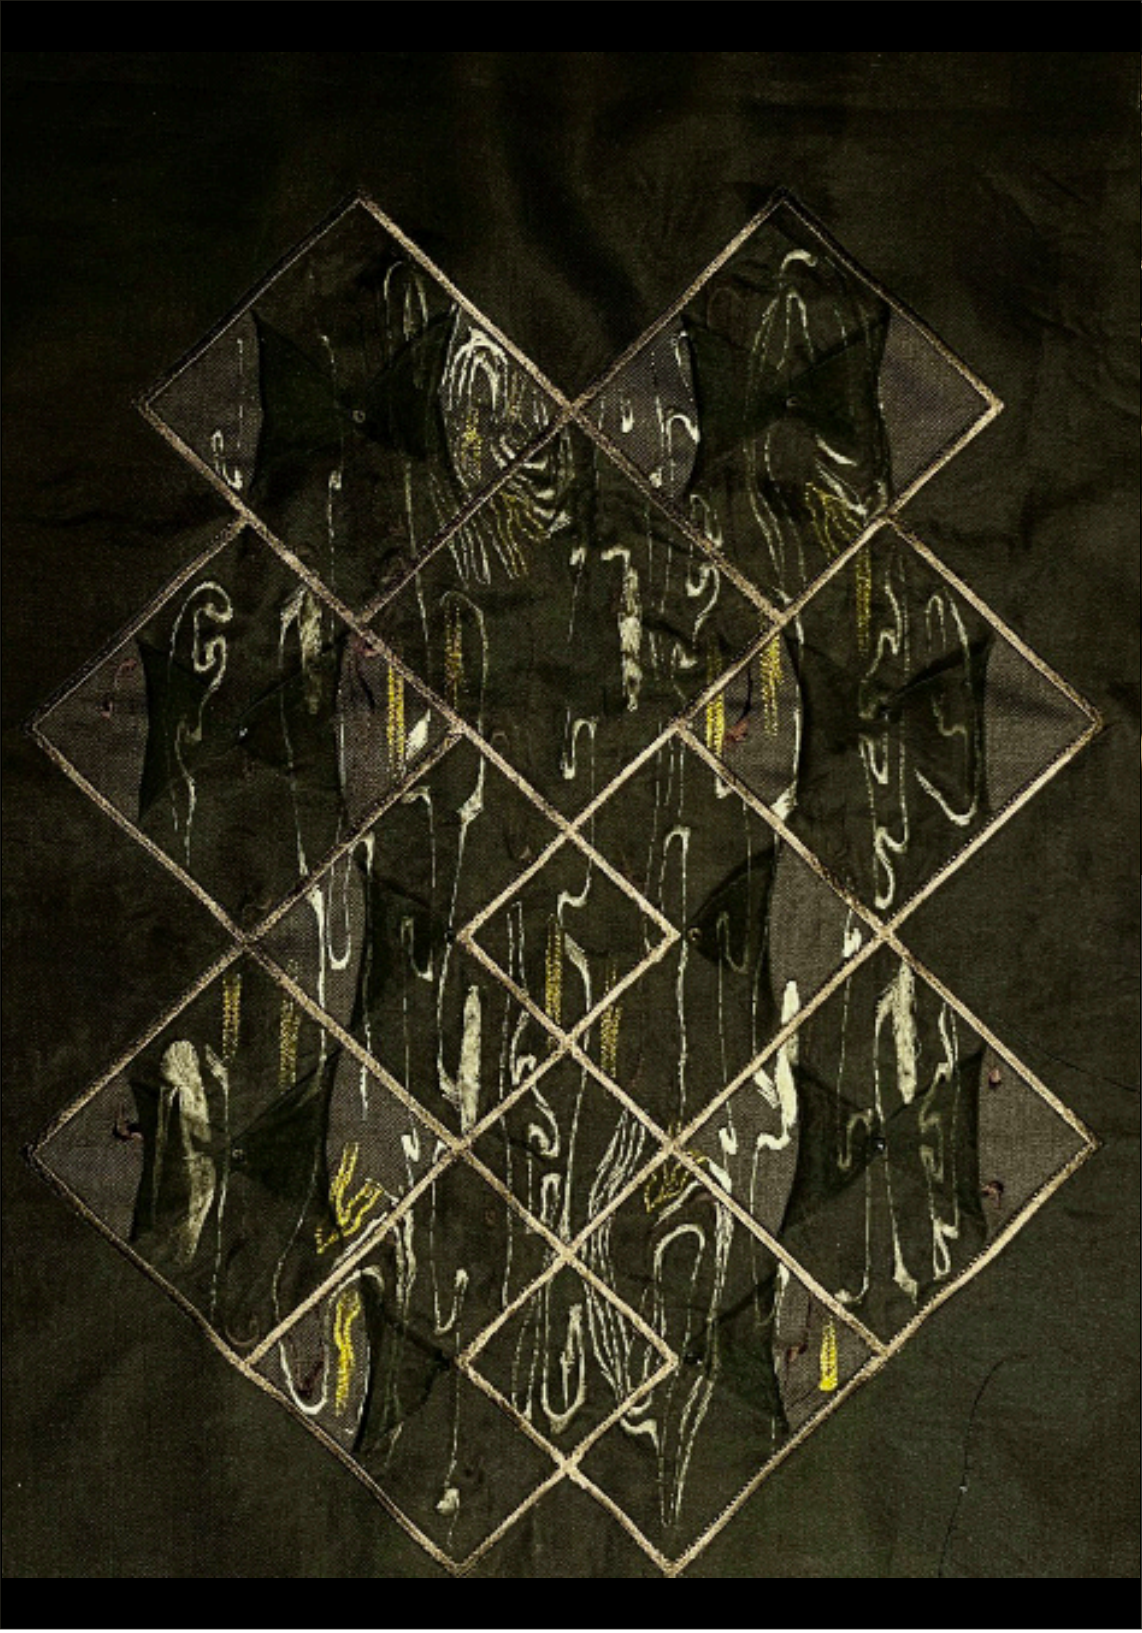

从鹰鸞的口中，觉察到无常的本质；
从累累白骨中，生起了出离之心；从腐尸恶臭中，
觉察到轮回的过患；从尸陀寒林中，通晓了生命的真谛。

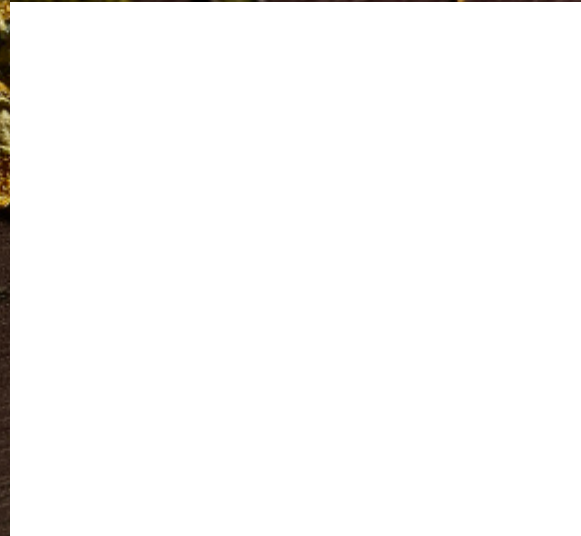

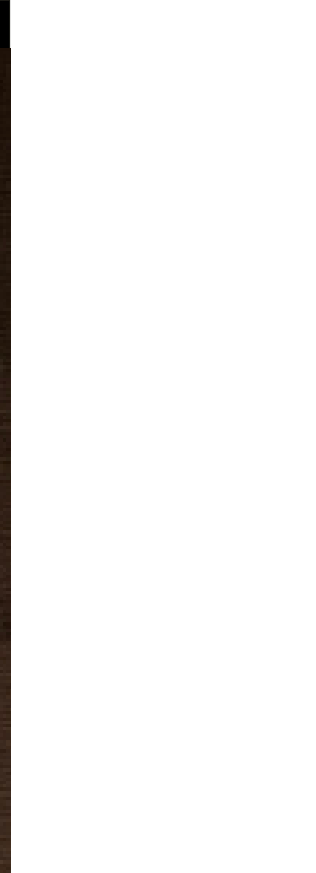

From the sharp beak of the vulture, the recognition of impermanence arises;
Among the piles of sun-bleached bones, the heart of renunciation is found;
From the odor of the corpse, samsara's defects are discerned.
In the charnel ground, one understands the true nature of this life.
