## Profile

A Fashion Contour student at UAL, London College of fashion. With specialised intimate apparel skills. A motivated person with excellent attention to detail. An organised individual, who can meet deadlines whilst upholding the highest of standards in a calm and professional manner. Experienced with working individually as well as working with a team on projects. Passionate working with colour and print design.

## Achievements

**Winner of Marks and Spencer live industry Project in second year.** Created a collection of sustainable innovative lingerie, with a suggested collaboration branding and marketing concept. Presented in person the final project outcomes to the M&S Senior team.

**Selected by the London College Of Fashion,** to display final graduate lingerie set, as part of a social media promotion.
