Personal Statement

Creative and detail-oriented 2D animator who has self-taught in animation and visual effects for over 5 years, in order to improve skills to a professional level, studied in the CSM MA Character Animation from September 2023 to June 2025. Skilled in TVPaint, Toon Boom Harmony, After Effects, Photoshop, Spine and Adobe Premiere Pro. Eager to bring innovative storytelling and unique character designs to a forward-thinking studio. I have always passion to learn cutting-edge software and skills.
