I am a disciplined, highly motivated visual artist graduating with a BFA in 2026, bringing a strong work ethic, creative insight, and experience across both 2D and 3D artistic mediums. I am highly organized, dependable, and skilled in visual, written, and verbal communication, with a deep commitment to visual excellence, innovation, and thoughtful execution. I work effectively both independently and collaboratively, approaching projects with focus, empathy, and professionalism. I am a quick learner with strong multitasking and problem-solving abilities, comfortable taking initiative, adapting to new responsibilities, and engaging thoughtfully with clients and collaborators.

Driven by a passion for art, creative writing, education, and human connection, I am committed to contributing meaningfully to creative, educational, therapeutic, and professional environments.
